

3BTAPE CLASSIC

Developed for everyday Kinesiology taping treatments. Physical therapists and patients all over the globe benefit from 3B Scientific's extensive experience in science & anatomy.

A MUST HAVE FOR EVERYDAY TAPING!

3B Scientific® Kinesiology Tape Classic

Kinesiology tape has been used for decades to aid in injury recovery and rehabilitation of soft tissues. **3BTAPE CLASSIC** is made of a blend of cotton and rayon fibers and is perfect for the everyday use.

3BTAPE CLASSIC benefits:

- Skin-friendly with thermoplastic wave-like acrylic adhesive on one side
- Water resistant, air-permeable, does not come off in the shower, pool, or sauna
- Latex free and hypoallergenic
- Available in 5m x 5cm (16' x 2" in.) or 31m x 5cm (102' x 2" in.)
- Can be stretched lengthways up to 140%
- Used in a wide variety of Kinesiology taping treatments

3BTAPE Kinesiology Scissors are the latest innovation in engineering and craftsmanship:

- Made from high carbon stainless steel which keeps the blade razor-sharp for years
- Specially coated with black carbon and flourine resin to prevent adhesive residue buildup
- Precision cutting every time, as regular scissors yield frayed fibers
